

#	Show Title	Characters	Logline	Question	Topic
201	<b>The Violin Lesson</b>	Ensemble and Olive's Mom	Olive doesn't want to practice for her violin lessons, until, during a sleepover, she discovers with Elinor and Ari the amazing crickets and their chirp.	Why do crickets chirp?	Crickets (insects)
202	<b>Flying High</b>	Ensemble	When Elinor wonders why her little bird friend Chickee doesn't fly as high as other birds, she and her friends go on an amazing balloon ride to observe why birds fly at different heights.	Why do birds fly so high?	The flight of birds (birds)
203	<b>Elinor's Nest</b>	Ensemble and Farmer Bear	When Elinor, Ari and Olive are unsatisfied with their kid-sized play nest, they decide to improve it, using ideas from real birds nests.	How do birds make their nests?	Birds Nests (birds)
204	<b>Foody Fuel</b>	Ensemble, Koa, Joe Mouse, Gee Raffe	While searching for lizards, Elinor and her friends observe that lizards eat lots of different foods, which inspires picky eater Koa to do the same.	What do lizards eat?	Lizards and food (food and reptiles)
205	<b>Spice Spice Baby</b>	Ensemble, Olives Mom, Mrs. Beaver, Mr. Antelope, and Ms. Llama	The kids try to figure out what it is that makes food - specifically, Olive's curry lunch - spicy!	What makes Olive's curry spicy?	Peppers and Spice (food)
206	<b>Ari's Muscles</b>	Ensemble and Farmer Bear	Ari is excited about playing baseball in the Big Game, but after practicing really hard, his muscles are so tired he can't play at all!	Why do muscles feel tired sometimes?	Muscles need rest (wellness) Geese Resting (birds)
207	<b>The Sneaky Surprise</b>	Ensemble, Siggie and Mz. Mole	Elinor and her friends want to surprise Mz. Mole by decorating her desk for Teacher's Day but they struggle to sneak past her, until they observe Siggie the squirrel and learn what makes him great at sneaking.	How can we sneak past Mz. Mole?	Squirrels (mammals)
208	<b>The Nose Knows</b>	Ensemble, Ms. Llama and Rudy the pig	When Ms. Llama is out of her famous truffle tarts, she and the kids go exploring in the forest to try and find some truffles, which is hard, because they grow underground.	How can we find truffles that grow underground?	Mushrooms and Truffles (food)
209	<b>The Queen of Clean</b>	Ensemble, Ms. Beaver, Ms. Mole	When Elinor is made 'Clean Captain' at school, she takes the job a little too much to heart!	How can we keep from catching a cold?	Germes (wellness)
210	<b>The Lodgepole Pine Tree</b>	Elinor, Ranger Rabbit, Olive, Ari, Joe Mouse, Gee Raffe	After Elinor and Ranger Rabbit's favorite spot in the forest is ruined by a fire, Elinor is disheartened, only to learn that fires aren't always a bad thing and nature cares for itself.	Can the forest grow back after it's damaged by a fire?	Forests (trees)
211	<b>Can of Worms</b>			Why do worms come out on sidewalks when it rains?	Worms (insects)
212	<b>Crayon Quest</b>	Ensemble, Mr. Hippo, Farmer Bear	When Olive's crayons are accidentally broken, Elinor and Ari are determined to make it right.	Where do crayons come from?	Bees (insects) and Wax (process)
